BASE BALL.

The Wheeling players are beginning to report. Yesterday morning Pitcher Campbell arrived from Sistersville, his home. Much is expected of Campbell this season, and with so good a catcher and general as Mossitt behind him, he should be near the top of the list among the inter-state twirlers. He had received flattering offers before the game of the season, including one from Glenalvin's Western league club, but preferred to play here.

The second player to report was "Bill" Taylor, the short-stop, who came down from Pittsburgh at noon. Taylor appears to be in excellent shape, and is confident of his ability to put up a game at short field that will place him well up in the estimation of the local fans.

In the afternoon Coyle, Taylor, Campbell and other players now here, went over to the island park and spent several hours in lining 'em out and running the bases. Coyle and Herrington are determined to get their men in shape for good ball playing right at the start of the inter-state season, and they appear to be succeeding admirably.

The other players of the Natters will begin making their appearance to-day, and all of them will have reported Wednesday evening. On Thursday the team will be hard at work.

Captain Gilks, of the Toledo base ball team, got back to town after an outing at Point Place, and at once set about to prepare for the team's practice games, which begin on Friday, says the Bee. The players have been ordered to report here on Thursday next. The first game of the season will be played on Friday afternoon, when the Saginaw club of the Michigan league will be there. The Saginaws will also play the local team on Saturday afternoon. The Casino grounds will probably be used. Manager Strobel, who has been indisposed for some days, will probably settle the question of permanent grounds next week. He has two views in view, one a particularly favorable one. It may be that he will abandon the Casino grounds before the championship season opens on April 27.

The League Complete.

MARIETTA, O. April 5.—The Ohio-West Virginia League franchise surrendered by the Twin Cities has been placed at Cambridge, and the management of the club placed in the hands of "Jack" Donnelly, a well known baseball player, whose last venture was as manager of the Oil City club in the Iron and Oil league, in 1895.

BOXING.

All the arrangements for to-night's boxing carnival at the re-opening of the Metropolitan Athletic Club at its Fulton arena, have been completed, and the indications are that there will be a large crowd on hand when the bouts begin after the arrival of the 9 o'clock motor from the city. "Jeff" Powers, of Cleveland, who will be the opponent of "Jack" Donnelly in the main event of the evening, a twenty-round go, arrived in town last night from the Forest City, and looks to be trained right down to the point. These men met once before and are anxious to come to a decision to-night.

As a preliminary bout, "Jack" Dadey, the "New York Cyclone," and "Jack" Perew, of Cleveland, will box four rounds, and the management of the club is trying to arrange for one or two additional preliminaries.

The club desires it known that it is not engaged in the business of pulling off prize fights. To-night's "battles" are "boxing contests" for which the club is licensed by the Fulton council. The club guarantees its patrons that there will be no interference on the part of the authorities, for the reason that no law is going to be fractured. There is a great deal of interest in the bouts, and delegations are expected from Pittsburgh and Cleveland.

A special motor will be at Fulton at the conclusion of the contests and General Manager Weisgerber promises a quick service back to town.

CYCLING.

Much interest is being taken in the bicycle show, to be held at the Y. M. C. A. building Thursday evening and Friday afternoon and evening. There will probably be a hundred and fifty wheels on exhibition. The dealers will make an attractive display. The show will be a delightful social affair. The ladies' auxiliary of the association decided yesterday to have refreshments for sale.

It is by no means certain that the League of American Wheelmen will be represented at the international championships to be held this year in Scotland, but it is gratifying to the admirers of the sport to know that an effort is being made to send over a team of cranks. Albert Mott, chairman of the racing board, would like to see this country represented, and it is believed that President Potter is of the same mind. The two officials will talk the matter over in a few days and it is possible that some plan may be reached whereby the league will be ably represented in the great event.

The Carroll Club Cyclers held a well attended meeting last night at the club house. The uniform for the riding season was adopted. It is as follows: Maroon and white sweaters, maroon stockings, white trousers, light gray or brown caps. A club run will be held every Tuesday evening, and a road race open only to members of the club, will be run this spring from the club house to Wheeling park. The membership of this leading organization is increasing rapidly.

AMUSEMENTS.

Owing to the immense business done by that great comic opera "Wang," last season, the universal demand throughout the country for return engagements, Messrs. D. W. Truss & Co. have decided to inaugurate a special tour, which has necessitated new costumes, new scenery, and in fact a brand new production. Mr. Albert Hart will again assume the title role of "Wang," his third season in that part. One of the prettiest things in "Wang" is the chorus of little children. The little ones are the sweetest and cleverest that have yet appeared on the stage. In New York they made one of the distinct hits of the piece, and their song "Baby, Baby, Dance My Darling Baby," is sung by the children of the entire land. How the children who see the wonders of a theatrical performance would love to have a look behind the scenes, and how they do envy the four pretty little tots who actually take part in the Siamese opera "Wang." Behind the scenes is a delightful place for any child to visit, but there is nothing more delightful than these same four little babies who for ten minutes every night romp and sing before the footlights and have just as much fun as though they were not being paid for it at all. They impart life and joyousness to the scenes, and their existence is quite as refreshing as their doings when the eyes of the audience are on them. "Wang" is now on a special tour and the engagement here next Saturday, matinee and night, at the Opera House will be the last chance to see this famous opera.

"The Dazzler."

Full of good things, clever wit, pretty faces, agile comedians, graceful girls, nimble dancers, and good voices, "The Dazzler" will open a half week's engagement at the Grand Opera, and will be a great success. Since last seen, the piece has been, not changed, but entirely re-written, with new story, plot and situations. The company this year is an exceptionally good one, and includes Will West, Ida Rogers, Max Miller, Minnie Cline, Griffith and Fowler, and a host of other stars. The songs are bright, new, and of the most popular order, the medleys and choruses are artistically arranged, the musical numbers forming a prominent feature of the programme. The comedians are quick at repartee and the foot, and the piece moves with briskness that hardly gives one time for a little rest between the good things that are offered.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure Deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and the tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

OHIO-SIDE ELECTIONS.

A Mixed Result at Bellaire, but it was a Republican Victory—Peculiar Situation at St. Clairsville—Only One Democrat Went Through at Martin's Ferry.

Municipal elections were held yesterday at Bellaire and St. Clairsville, Belmont county towns. The result at Bellaire was mixed, but the majority of the successful candidates are Republicans. There was not a pronounced interest in the election and the vote was light.

At Martin's Ferry.

Notwithstanding a light vote was polled in Martin's Ferry, the Republicans elected every one of their candidates in the city, excepting one assessor in the Fifth, where the Democratic candidate won by seventeen majority.

This was Edward Shrodes, who recently had his leg amputated and who will buy an artificial leg.

The Republicans elect one water works trustee, three electric light trustees, one cemetery trustee, three members of the board of education, six councilmen and five assessors and also large majorities for their township ticket. The only close vote was for council in the Second and Third wards. The others were elected by large majorities. Considerable interest was manifested in the contest for the board of education and the Republican candidates won by over two to one, defeating two popular ladies and the third candidate on the Democratic ticket. Many ladies voted, fifty-seven in the Fourth ward; eight in the First; thirty-one in the Second; thirty-six in the Third, and twenty-nine in the Fifth. The total vote for the different candidates is as follows: Justice of the Peace, Howell, (R.), 67; Kidd, (D.), 32; township treasurer, Smith, 65; Stewart 30; Township trustee, Burris, 61; Applegarth, 39; Constables, Stanton, 62; Thompson, 59; Walters, 39; Conaway, 32; Water works trustee, Crowl, 64; Bayless, 34; Cemetery trustee, Heslop, 60; Paxton, 32; Electric light trustee, (three to elect) Scheuble, 67; Joy, 62; Moore, 61; Floto, 33; Wolf, 31; Selby, 34; Board of education, Lloyd, 84; Ralston, 74; Hanes, 70; Dr. J. Boyd, 37 in the First ward the vote for council was Kaiser, 74; Norwood, 39; Second ward, (two to elect) Farnell, 39; Williams, 138; Helfenbein, 115; Becker, 95; Third ward, Kerr, 118; Hildebrand, 111; Fourth, Hopkins, 113; Stewart, 78; Fifth, Riley, 123; Foust, 84. For assessors the vote resulted: Romig, 34; Second, Brooke, 199; Duff, 46; Third, Hobert, 145; Cochran, 74; Smith, Stricklin, 121; Fifth, Coss 102; Shrodes, 113.

In the country precinct, Martin's Ferry, the Democrats won, as usual. Howell had 56, Kidd 126; Smith 67; Stewart 124; Burris 47; Applegarth 138; Stanton 56; Walters 125; Thompson 67; Conaway 125; Steele 55; Goff 127.

The Bellaire Election.

The election in Bellaire was quiet and excited little interest, the vote being very light. In the city the vote was 400 for the city of last November and in the country precincts there was a falling off of over 200 votes. Few women exercised their right of suffrage for school board. The result was mixed, and is as follows:

Trustee—J. M. Paul (R.), 114; Robert Turnbull, (D.), 905. Justices of the Peace—F. S. Mason, (R.), 1162; J. W. Morrell, (R.), 1,008; A. R. Campbell, (R.), 829; George Arnold, (D.), 1,049; E. E. Clevenger, (D.), 867; Franklin Neas, (D.), 920; Mason and Morrell, Republicans, and Arnold, Democrat, elected.

Constable—Fred Hazel, (R.), 1,113; E. Kennedy, (D.), 854.

Treasurer—J. W. Liller, (R.), 1,112; George Meyer, (D.), 945.

Fifth ward—Thomas Leath, (R.), 129; Isaac Meyer, (D.), 183.

In the West Wheeling precinct, William Wolf, Republican, was elected assessor, and in the south precinct, G. P. McKelvey, Democrat, was successful.

At St. Clairsville.

As a result of yesterday's election, at St. Clairsville, Charles S. Frint, Republican, is re-elected town clerk by a plurality of 46, and J. B. Meyer and C. S. Creamer, Republicans, are chosen members of council. Prior to this year Frint was elected several terms as a Democrat, but refused to endorse the Chicago platform last year. He voted for McKinley and in retaliation the free coinage nomination. To rub it in on Frint he nominated a Bryan Republican. However, the Republicans promptly put Frint on their ticket and his friends are proud of his victory, especially in view of an ugly newspaper fight that has been waged upon him by the free silver editor of the Gazette. The vote in detail is as follows:

City Clerk—Frint, (R.), 163; Lewis, (D.), 117.

Council—Zachariah Fawcett, (R.), 108; J. W. Frazier, (R.), 146; R. Troll, (R.), 122; D. S. Creamer, (D.), 146; J. R. Meyer, (D.), 161; W. C. Munkel, (D.), 113; Frazier, Republican, and Creamer and Meyer, Democrats, elected.

TWO years ago R. J. Warren, a druggist at Pleasant Brook, N. Y., bought a small supply of Chamberlain's Cough Remedy. He summed up the result as follows: "At that time the goods were unobtainable in this section; to-day Chamberlain's Cough Remedy is a household word." It is the same in hundreds of communities. Wherever the good qualities of Chamberlain's Cough Remedy become known the people will have nothing else. For sale by druggists.

Any woman may obtain free of charge, the professional advice of a skilled, experienced specialist by consulting, either personally or by letter, Dr. R. V.
